TRUE CHRISTMAS SPIRIT

by Rev. Edward J. Sutfin

A guide for parents and teachers who seek a way of giving their youngsters a true understanding of Christmas. After developing the fundamental dogmatic background of the Christmas liturgy, Father Sutfin suggests ideas of every sort by which the spirit of the Church can be brought to children. He draws on many charming old-world folk traditions which have sprung from the devout keeping of Christmas by our Christian ancestors.

154 pages. \$3.00
